Kill them with success and bury them with a big smile

~G-Dragon

I want to show my true self, not how I want to be seen by others.

~G-Dragon

Work until your idols become your rivals

~G-Dragon

What we should really fear is not failure but the heart that is no longer brave enough to take risks and embrace challenges

~G-Dragon

The only thing I have to do in life is die. Everything else is a choice... including breathing.

~G-Dragon

It's better to be hated than ignored.

~G-Dragon

Am I in a relationship? Yeah. I'm already in a relationship with everybody that likes me.

~G-Dragon

I only wear clothes because I can't walk around with nothing on, but they started calling me a fashionista.

~G-Dragon

I'm just doing what i like and people can just enjoy it. There's nothing more than that.

~G-Dragon

I think a beautiful person is one with a beautiful heart.

~G-Dragon

I'm the most comfortable when I'm at home resting doing nothing. I feel the most myself when I'm with music.

~G-Dragon

Seungri, are you listening? I love you.

~G-Dragon

BIGBANG is the band that I myself am a big fan of

~G-Dragon

If I meet my ideal woman, I want to get married straight away. And start making a world of just the two of us.

~G-Dragon

I want to express the feelings that everyone has felt at least once in music so I think people will feel/understand my song.

~G-Dragon

I have good pronunciation no matter what language I speak. Maybe it's because my specialties are rapping and imitating others

~G-Dragon

They (TVXQ) really are the perfect sunbaes.

~G-Dragon

We've been proud of the fact that we were known for our music first and it has been what makes us work harder

~G-Dragon

I think we're at the stage where we're not musicians but not idols either. In a way, we also feel bad for being called idols

~G-Dragon

Seungri sounds mournful while T.O.P has a masculine and husky

voice. My voice is thin, just like when I talk

~G-Dragon

Since the whole world is now concerned more about K-pop, I want to make more great songs which can be listed to as classics.

~G-Dragon

I don't really think I know myself. I don't quite get how K-pop is functioning. But I'm certain that we need to grab the approval when we have the chance.

~G-Dragon

When I am making music, I am growing at the same time, ain't I?

~G-Dragon
