To oppose corruption in government is the highest obligation of patriotism.

~G. Edward Griffin

Collectivism and freedom are mortal enemies. Only one will survive

~G. Edward Griffin

Guns are dangerous. The only thing more dangerous is not having them.

~G. Edward Griffin

Those who are not interested in politics will be forever ruled by those who are.

~G. Edward Griffin

Financial dependence on the state is the foundation of modern serfdom.

~G. Edward Griffin

Rights and responsibilities are ... different sides of the same coin.

~G. Edward Griffin

No one in America fully understands the constantly changing Internal Revenue Code. Agents of the IRS do not, judges do not, congressmen do not, and most assuredly taxpayers do not.

~G. Edward Griffin

Error is better than apathy. Error can be corrected in time to change the outcome. Apathy is seldom corrected until it is too late.

~G. Edward Griffin

~G. Edward Griffin

And thirdly, the FDA occasionally does some genuine public good with whatever energies it has left over after serving the vested political and commercial interest of its first two activities.

~G. Edward Griffin

The Civil War was started over economic issues, not slavery. The War was not popular in the North until the issue of slavery was added at a later time to turn it into a moral crusade.

~G. Edward Griffin

Life is hollow without health and freedom. To seek one while ignoring the other is folly.

~G. Edward Griffin

The timid and fearful cannot defend liberty -- or anything else.

~G. Edward Griffin

When governments claim to derive their authority from any source other than the governed, it always leads to the destruction of liberty.

~G. Edward Griffin

The nation's first experiment with the income tax was tried at this time; another violation of the Constitution.

~G. Edward Griffin

When the Goths are at the gates, forming study groups and praying for deliverance is not effective defense.

~G. Edward Griffin

The gates of heaven surely are closed to those who decline to oppose totalitarianism with all their might.

~G. Edward Griffin

There is no time in American history in which there was more economic conflict between segments of the population than there was prior to the Civil War.

~G. Edward Griffin

The information that follows is taken primarily...from government hearings and reports published from various Senate and House committees.
