I just like the comic book sensibility. If I can turn them into films and TV series, that's just icing on the cake.

~Gale Anne Hurd

It's more important to get the right writer and the right take than it is to do something in a particular timeframe.

~Gale Anne Hurd

What's so wonderful about 'The Walking Dead' is that we're able to explore human nature in its most depraved as well as its most humanitarian in each episode.

~Gale Anne Hurd

You don't want people to look at something and think that was a fantastic special effect.

~Gale Anne Hurd

A key ingredient to success, I learned, is relying on not only the kindness of strangers, but the kindness of colleagues.

~Gale Anne Hurd

If I'm going to fail, let me fail with something that I care deeply about.

~Gale Anne Hurd

I think that we can learn so much if we pay attention to our dreams, whether when we are asleep or in waking dreams. There are connections that are absolutely incredible.

~Gale Anne Hurd

Film-making is a business and at the bottom line people who don't make fiscally responsible decisions end up going into another line of work.

~Gale Anne Hurd

The truth is there's so many great TV shows out there now that none of us take absence of awards personally. The most important feedback is the feedback we get from the fans.

~Gale Anne Hurd

When you realize there are geniuses out there and you'd be a journeyman... that's not good enough. I'd rather be the person helping those who are one in a billion get their vision out.

~Gale Anne Hurd

If you don't know what you're being asked to do, make sure you clarify. I think people in every business are afraid to ask questions.

~Gale Anne Hurd

I think that comic followers are always waiting for key iconic moments.

~Gale Anne Hurd

We tend to be more environmental at home than at work, regardless of the industry we're in.

~Gale Anne Hurd

I've always loved comic books, which is why I've done films like Hulk and The Punishers.

~Gale Anne Hurd

I'm a huge historical fiction and non-fiction fan.

~Gale Anne Hurd

A lot of my films have dealt with the dark side of technology and stress that you have to examine the ramifications of progress.
