Margaritas are my favorite. And my fiance makes them just perfect.

~Garance Dore

I think I always keep coming back to certain pieces, the idea of essential, elegant, easy wardrobe.

~Garance Dore

It is never a good idea to not be comfortable.

~Garance Dore

My favorite, and the author I wish I was reading right now and always is Nora Ephron. I love the humor, the awareness, the sense of self-deprecation. She is such a role model to me.

~Garance Dore

If you are trying to sell someone your idea and you can't even define it to yourself, then that is a problem.

~Garance Dore

I have always loved sneakers and sweaters, and I wear a lot of them. And a good t-shirt or a pair of jeans can make you feel so good.

~Garance Dore

In general I try to spend the mornings connecting and keeping things organized, and then try and do more creative work in the afternoons.

~Garance Dore

I still love when any editor today says, "it's so cool what you do", or "you inspired me". All these little things make you realize that people are reading your site and that you have an influence.

~Garance Dore

I love breakfast, so I'd probably spend a long time on that. And breakfast food matters so I'd make sure it is the best food - great fruit

and such.

~Garance Dore

It is still important that every project I do I do something real, that feels true to me.

~Garance Dore

I think a great piece of outerwear can really make you stand out.

~Garance Dore

When I don't have anything to say, I don't publish. Rather than posting something that's not very interesting, it's best to wait until you have something that really inspires you and makes you laugh.

~Garance Dore

I know it is never a good idea to not be comfortable.

~Garance Dore

The touring makes you take a step back. It makes you realize how your lifestyle has changed.

~Garance Dore

The author I wish I was reading right now and always is Nora Ephron. I love the humor, the awareness, the sense of self-deprecation. She is such a role model to me.

~Garance Dore

In some ways, there's no typical day with all the shoots and travel and projects, but I do try and stop by my studio every day.

~Garance Dore

I love great coats, and I pay a lot of attention to them and own a lot of them.
