*People, Action, Opportunity, Goal, Thinking, Giving, Keys, Long,  
Communication, Smart, Ideas, Behavior, Ifs, Feels, Problem, Effort, Quality,  
Differences, Justice, Use*

When we look for differences instead of similarities, we create barriers for trust.

~Garrison Wynn

The easiest way to maintain happiness is to lower your expectations of other people and raise them of yourself!

~Garrison Wynn

Action and flexibility create opportunity

~Garrison Wynn

Goals are like the gas in your car, you may go in many different directions after you fill up, but with out the gas you are not going anywhere

~Garrison Wynn

Squirrels are just rats with good publicity

~Garrison Wynn

Knowledge is not power; Implementation is power

~Garrison Wynn

I cannot tolerate my bad behavior in another person for 10 seconds

~Garrison Wynn

If time heals all wounds, then why are there so many ticked off old people walking around.

~Garrison Wynn

Most of us forget the basics and wonder why the specifics don't work.

~Garrison Wynn

Practice makes polish and polish makes money.

~Garrison Wynn

You can't change people but you can effect a change in them by your behavior.

~Garrison Wynn

People buy-into what they can understand quickly. If it takes you a long time to make your point, most people think you don't have one!

~Garrison Wynn

If you criticize others' ideas, they will almost never use yours no matter how good they are.

~Garrison Wynn

The truth will set you free: believability will give you credibility.

~Garrison Wynn

Communication is like the basics of mechanical engineering, the more moving parts you have the more likely it is to break down!

~Garrison Wynn

Satisfaction may be the goal of the common man, but it is the enemy of greatness.

~Garrison Wynn

Long-term success is the result of relationships built on a foundation of trust. People get more value from those they trust.

~Garrison Wynn

If risk is the key factor to success and really smart people avoid it, you might not be dumb enough to succeed!

~Garrison Wynn

Being stupid is not as frustrating as being brilliant for 5 seconds and then average for the rest of your life

~Garrison Wynn

Helping people develop their own brilliance is much more effective than giving them yours

~Garrison Wynn

People buy from people they trust and they trust people they like.

~Garrison Wynn

We are what we repeatedly do but we can be perceived by what we repeatedly say.

~Garrison Wynn

Fear is a survival tool not a handicap.

~Garrison Wynn

Action and adaptability create opportunity.

~Garrison Wynn

No communication takes place until the other person feels heard

~Garrison Wynn

The smartest people in the world are not in charge, they work for the action takers.

~Garrison Wynn

Position yourself to succeed first by building good relationships with the right people; and then put your effort and expertise behind that!

~Garrison Wynn

If you don't have personal goals, you're controlled by those who do.

~Garrison Wynn

Before you can have great employees you have to put them in a position to create their own future.

~Garrison Wynn

Don't let the opinions of others define who you are. Take them into consideration, make adjustments if necessary and then go be you!

~Garrison Wynn

It does not matter how smart you are if nobody knows what you are talking about.

~Garrison Wynn

Connecting to your passion is being you, but better.

~Garrison Wynn

We don't have any real justice in the legal system, you never see a headline that reads, Millionaire Gets Death Sentence.

~Garrison Wynn

Thy key to being able to communicate and benefit from each other is to truly see you own value. That will allow you to see it more clearly in others.

~Garrison Wynn

Impatience has a poor track record for perfection. Getting things right usually includes calming down!

~Garrison Wynn

When the customer is wrong it is not a good idea to tell them.

~Garrison Wynn

After spending some time with my soul mate I have come to the conclusion that I may have something wrong with my soul

~Garrison Wynn

The longer it takes to explain value, the more people think you don't have any.

~Garrison Wynn

Circumstances do not create the quality of your life.

~Garrison Wynn

All I ever wanted was an unfair advantage

~Garrison Wynn

Business friendly is the middle ground between being too cold and uncaring and the other extreme of being too familiar

~Garrison Wynn

Heroes and cowards feel the same fear and action creates opportunities.

~Garrison Wynn

The value of being silent: I never miss an opportunity to say nothing.

~Garrison Wynn

To get rid of anger you can change the situation or change how you think about the situation.

~Garrison Wynn

You can't lead by example if you are a bad example. If you stink at something, stop doing in front of everyone until you improve!

~Garrison Wynn

Change is an action not just an epiphany!

~Garrison Wynn

Worry is not the symptom of a problematic life; it's the problem. Situations pass that make our life difficult, it's the worry that stay's with us that makes us ultimately unhappy.

~Garrison Wynn

If you can't manage the future, you don't have a future.

~Garrison Wynn
