With a mini series you can give the story a proper sense of pacing, a proper sense of closure.

~Garth Ennis

Yeah, Hitman I suppose is most of the time a lighter read than Preacher; it was always going to be.

~Garth Ennis

I don't necessarily write everything as automatically assuming it will be collected, there's nothing that says Hitman will be collected, though it might be.

~Garth Ennis

If you look at Marvel Comics, there are very few Marvel characters I would like to write.

~Garth Ennis

I guess you can stay sort of true to the story; you don't have to artificially bring the character back from whatever doom you've designed for them, you can tell the story, I suppose, honestly.

~Garth Ennis

Preacher is a book that somehow allows me time by its settling on it's characters, that sort of modern gothic western feel. You're not likely to see the boat veering too far from that.

~Garth Ennis

As the scripts come in they are sent to the artists, and the artists are either very busy, or ready to start.

~Garth Ennis

You work for the devil, you better be ready to die for him.

~Garth Ennis

There's immense fun to be had as long as you can sort of sneak it past DC. I have been told on occasion that I need to have more respect for these characters.

~Garth Ennis

I've seen a fair bit of the States and the rest of the world, and I'm convinced that there's nowhere I'd be happier, there's nowhere I'm missing out on because I'm in NY.

~Garth Ennis

What happens when your world ends? Your lover steals your heart...and your father casts you out...and you fall.

~Garth Ennis

I'm sure you're aware, with the time it takes to put these books together, everything can suddenly start coming out at once even though I wrote anything between one and five years ago.

~Garth Ennis

I tend to forget what I'm doing will ever be read while I'm writing it, and just get on with the task at hand.

~Garth Ennis

I suppose that Heartland, Unknown Soldier and Pride and Joy represent not a quieter side but more of a serious side to my work, something I've been getting into recently.
