I don't hurt or want for visibility, but people seem to forget pretty easily.

~Gary Coleman

I try to make fun of myself and let people know that I'm a human being, and these things that have happened to me are real. I'm not just some cartoon who exists and suddenly doesn't exist.

~Gary Coleman

15 concubines ain't nothin' to sneeze at.

~Gary Coleman

You can involve yourself in electronics, computers, puzzles... there's a lot of creativity and brain working. There's a lot to model trains that people don't realize.

~Gary Coleman

My slogan is I'm the least qualified guy for the job, but I'd probably do the best job.

~Gary Coleman

George W. Bush bought the election - period. End of story. There is no argument. You can try to come up with any argument you can, but there is none.

~Gary Coleman

Politics is never about the people. It's about money. And wars. And how many heads you can step on and bodies you can step over. And I'm just not that kind of person.

~Gary Coleman

I know the difference between true love and the love of my fans.

~Gary Coleman

I have four strikes against me. I'm black, I'm short, I'm intelligent, and I

have a medical condition.

~Gary Coleman

I have lifestyle requirements. Photos, meetings, lunches, dinners, facial care, tooth care. It requires an exorbitant amount of money.

~Gary Coleman

I knew what normalcy was, and I wasn't having it.

~Gary Coleman

~Gary Coleman

Television is fun, but it's hard, and if it gets too crazy I may just do it as a part-time thing.

~Gary Coleman

I can't sit back and swallow stuff. I live in a time and place, and in a country on earth where you're not supposed to swallow it. People just gave up.

~Gary Coleman

I read Popular Mechanics, Popular Science, Reader's Digest... I read

some responsible journalism, and from that, I form my own opinions. I also happen to be intelligent, and I question everything.

~Gary Coleman

I would not give my first 15 years to my worst enemy, and I don't even have a worst enemy.

~Gary Coleman

I suffer a little bit from Napoleonism, if you will.

~Gary Coleman

I liked 'Diff'rent Strokes' up until about the last three or four years. I was bored.
