I think I would never be ready to do a regular job. I couldn't go to the office every day at the same hour. I love my life. This freedom.

~Gaspard Ulliel

The most challenging thing is how to portray someone that is so well known that people still recall him in a very precise way.

~Gaspard Ulliel

I love good food. I'm an epicurean, that's for sure. € But I am not really a good cook.

~Gaspard Ulliel

I did some theater as a kid for fun. But it was really by chance that I landed into acting.

~Gaspard Ulliel

I think for every artist it's important to always keep this amount of doubt until the very last day of shooting.

~Gaspard Ulliel

For me, cinema becomes grandiose when it imposes its own mythology and its own reality.

~Gaspard Ulliel

As for a fashion designer, you have those very precise deadlines to keep so you have to renew yourself constantly every three or six months. When you think about it, it's so intense.

~Gaspard Ulliel

If you decide to direct a film, it's because you have something to say, something to show to the audience.

~Gaspard Ulliel

Since first starting my career, I've grown accustomed to working with

actors older than me. I'm always the youngest.

~Gaspard Ulliel

I've been an amateur photographer since my teens.

~Gaspard Ulliel

Well, I think it can be quite helpful to be working on a character who actually existed, historically. Of course, you might have material to study and help you create the character.

~Gaspard Ulliel

The Chanel woman is slender, sophisticated and chic.

~Gaspard Ulliel

When I'm doing a photo shoot, I'm not playing a part. I'm just trying to be myself.

~Gaspard Ulliel

I don't think there is the same space for fashion designers to create like Yves was doing it. So, it's that he's one of the last, great geniuses in fashion.

~Gaspard Ulliel

When you're so passionate about cinema, the idea to direct your own film is really appealing.

~Gaspard Ulliel

I'm always very interested in going and discovering a young director's films.

~Gaspard Ulliel

When you see period films, it tends to often be with older actors.

~Gaspard Ulliel

I think an actor can actually gather moments, memories and emotions for his next character. So, it's a constant work.

~Gaspard Ulliel

I just choose the scripts I want to work on. I don't know why. It's not something conscious or that I'm doing on purpose.

~Gaspard Ulliel

I'm not really a model.
