Somebody did an article in one of the newspapers saying that at that time I had the most visibility of any actor around. Kind of nice, you know, when that thing was happening.

~Gavin MacLeod

You know, you have to put bread on the table. So you thank God you got the job.

~Gavin MacLeod

Sometimes you don't get a second chance. You need to take a chance when you have the opportunity. Always.

~Gavin MacLeod

We used two Princess Cruise ships. The Island Princess and The Pacific Princess. They were identical ships.

~Gavin MacLeod

We have nine ships and in the next two years will have ten, eleven and twelve. So things are going very nicely and all because of that program that people thought was mindless and so forth.

~Gavin MacLeod

Also, now as a result of that show being on, the cruise industry is just growing all over the place. Princess Cruises, who I now represent, is the fastest growing cruise line in the world.

~Gavin MacLeod

It was tough for him in that newsroom with Ted Baxter getting all the glory and this poor guy doing all the work. Murray worried so much he worried his hair off!

~Gavin MacLeod

It's very trying on a marriage when you're doing a one hour show, week after week after week. You don't have enough time for people that

maybe you should have top priority.

~Gavin MacLeod

I haven't killed anyone on television in years and years. Must have been twenty something years.

~Gavin MacLeod

Audrey Hepburn, as famous as she was, packed her own suitcases... I don't know why that struck me, but it did. 'She has a servant's heart,' I thought.

~Gavin MacLeod

There are a lot of new opportunities that are poking their head up in my future. I've been very fortunate that way, but for right now, what I like is what I'm doing.
