*Country, Islam, Believe, People, Europe, Islamic, Law, Party, Want, Fighting, Proud, Immigration, Children, Book, Mistake, Two, Netherlands, Government, Culture, Dutch*

Islam is not a religion, it's an ideology, the ideology of a retarded culture.

~Geert Wilders

The Koran is a fascist book which incites violence. That is why this book, just like [Adolf Hitler's] Mein Kampf, must be banned.

~Geert Wilders

The Koran is an inspiration for intolerance, murder and terror.

~Geert Wilders

I don't hate Muslims, I hate Islam.

~Geert Wilders

A country without a border is like a person in a house without a front door. Anybody can enter and you cannot ask anybody to leave.

~Geert Wilders

The EU leaves us no freedom to determine our own immigration and asylum laws. That's why leaving the EU is necessary.

~Geert Wilders

There is no radical or moderate Islam. There is only one Islam and that is the Islam from the Koran, the holy book. That is the Islam from Mohammed. There are no two sorts of Islam.

~Geert Wilders

We must never give a free hand to those who want to subjugate us, draw this line so that New York will never become New Mecca.

~Geert Wilders

I do not believe in genetic causes; I am miles away from there. I believe rather that all people who embrace our [european] values, our laws and our constitution are full members of our society.

~Geert Wilders

I'm against the European Union, but I am very much in favor of Europe.

~Geert Wilders

I don't need headlines. For me, it's the truth that matters.

~Geert Wilders

I believe that Islam and freedom are incompatible.

~Geert Wilders

We should start being intolerant to those who are intolerant to us. This is not modern logic, this is not extreme, this is common sense.

~Geert Wilders

We are one of the most tolerant societies in the world, and in order to stay tolerant, my party believes that we should stop being tolerant to the people who are intolerant to us.

~Geert Wilders

If [Moroccans born in Holland] commit serious crimes - I believe we should strip them indeed of the Dutch nationality and send them back to Morocco as Morocco does.

~Geert Wilders

If I did not speak with people who call me names, I could not engage in politics.

~Geert Wilders

Freedom of speech is a great thing and we have said nothing that is not allowed.

~Geert Wilders

I don't have anything against Canadians or Australians.

~Geert Wilders

Islam wants to destroy us and I want to prevent it.

~Geert Wilders

Islam is not a religion, but an imperialist ideology like communism or fascism.

~Geert Wilders

I am not saying that I want to ban Islam. I want less Islam in Europe because it doesn't allow any room for debate.

~Geert Wilders

I believe that we should stop the immigration, the mass immigration from Islamic countries.

~Geert Wilders

I'm not talking about the people. I have nothing against the people. I have nothing against the Indonesian people or the Arab people or the Muslim people. I'm talking about the ideology.

~Geert Wilders

You see crime and you see all [sharia] things happening, unfortunately all over Europe, because of (a) the mass immigration, but (b) also because of we politicians are not able to deal with it.

~Geert Wilders

We should fight [mass immigration], we should stop it, we should be proud of who we are and define what we are not.

~Geert Wilders

Whether you like it or not - I want to close the Dutch borders.

~Geert Wilders

My constituents don't want more refugees. I'm not ashamed to represent these voters. I'm proud of it.

~Geert Wilders

You can remain friends, even without EU membership. The PrÃ¼m Convention, according to which data for combatting crime is exchanged, is a good example of international cooperation.

~Geert Wilders

Islam is according to me, my party, not so much a religion as well as it is a totalitarian ideology.

~Geert Wilders

If you are a Morocco citizen with a dual nationality, if you commit a crime in Morocco you are stripped Moroccan nationality and send to our own country. We can learn from them in that respect.

~Geert Wilders

If you are in Holland, be careful not to say tomorrow that you don't like French, German or Swedish food or people, you could be called a racist.

~Geert Wilders

[We should] stop the immigration to our societies - because we have had more than enough Islam in our societies.

~Geert Wilders

I will not stop fighting against Islam until I have achieved freedom for our country.

~Geert Wilders

Indeed, as long as a country has a culture a religion an ideology where Islam is dominant it will never be a democracy.

~Geert Wilders

Eighty percent of those people with a passport from the Netherlands who go to Syria as jihadists are actually Moroccans.

~Geert Wilders

I don't have a problem with people from Slovakia and Lithuania. But I do have a problem with immigration from Islamic countries.

~Geert Wilders

I am more on a global jihad to preserve our freedom. I believe that even though I have nothing against the people or Muslims or anybody for that reason.

~Geert Wilders

When somebody has dual citizenship and commits a crime, his Dutch passport should be revoked and he should be deported to the other country, even if he was born here.

~Geert Wilders

I haven't promised anything for the future. Instead, I have said what I would have done differently in the past.

~Geert Wilders

I'm proud to be a member of a society that is based, whose values are based on Christianity, Judaism and humanism.

~Geert Wilders

In Islam there is not much room for anything else but Islam.

~Geert Wilders

I believe that Muslims that are in our society today are of course equal as anybody else, as long as they adhere to our laws, to our constitution, to our values.

~Geert Wilders

I'm not like the Brexiteers. I don't deny that we have to permit immigration and the right of establishment for capital and services.

~Geert Wilders

I believe I have an important message and we are fighting the same fight, which is the fight for freedom in Australia, in Holland and in Europe.

~Geert Wilders

I don't want to get involved in Australian politics. You are a democracy, and Australian people should decide who they will vote for and I'm not mingling or interfering in that all.

~Geert Wilders

Studies from universities in Holland and Berlin confirm that 80 percent of Muslims in the Netherlands believe it is a heroic deed to travel to Syria as a fighter.

~Geert Wilders

I'm a politician. I believe that we can change any rule.

~Geert Wilders

I know where we today in Europe have enormous influx of... in the last decades of people from Islamic countries, that our society has changed. That it has worsened for that reason.

~Geert Wilders

I have travelled a great deal - to Afghanistan, Iran, Egypt - and can very well differentiate between moderate Muslims and Islam.

~Geert Wilders

Politicians like Prime Minister David Cameron have lost all sense of reality. The people have seen how billions were spent on Greece and Turkey, on deals with Erdogan or for asylum seekers.

~Geert Wilders

However, there are moderate and non-moderate Muslims, I acknowledge that.

~Geert Wilders

There is a big disincentive to talk about the truth. I will speak the truth.

~Geert Wilders

I'm open to meet any person; I think we can learn from one another.

~Geert Wilders

I hope - I'm a democrat. I'm a democratically elected politician from the Netherlands representing one of the major parties in Holland - I hope that I will be able to talk and to discuss with people.

~Geert Wilders

Mr. Trump is Mr. Trump. I'm Mr. Wilders. I'm not anybody's copy or whatsoever.

~Geert Wilders

I cannot tell you who will be accompanying me and why, because that would only make myself more vulnerable. So I will not talk about that.

~Geert Wilders

I spoke in the United States of America and in Canada and other countries already have good results with immigration, that it cannot be compared everything to Europe.

~Geert Wilders

Don't be afraid of me. I'm a law maker I'm not a law breaker.

~Geert Wilders

I'm always advised and I follow that advice never to talk about security

issues.

~Geert Wilders

There is only one Islam, and that is a totalitarian ideology that has no room for anything but Islam.

~Geert Wilders

Islam should be compared to other totalitarian ideologies like Communism or Fascism.

~Geert Wilders

I never would like to be a country that is that multicultural that, for instance, the Islamic values become more dominant. We should not do that. We should stop that.

~Geert Wilders
