The difference between golf and government is that in golf you can't improve your lie.

~George Deukmejian

My understanding has always been that if there is any indication that pesticides are harmful, that they would not be allowed to be used.

~George Deukmejian

Every lie has 2 parts - the lie we tell others and the one we tell ourselves to justify it.

~George Deukmejian

I'm not an expert in it, but it seems to me that you have to let the market forces go their course.

~George Deukmejian

One of the biggest problems that we have right now is that in some areas of the State we cannot get additional jobs created because they say the housing costs are too high.

~George Deukmejian

There are several ways in order to reduce the housing problem. One way is to allow a developer to buy land more cheaply if it's in an outlying area.

~George Deukmejian

I don't see any need to unduly burden the taxpayer.

~George Deukmejian

Whether I sign a bill or not, is generally an expression of my personal view on the subject. It's not an interpretation of an existing law.

~George Deukmejian

It seems to me that it's better to allow people to have more spendable

income. That helps 'LO stimulate the economy and create more jobs.

~George Deukmejian

We're looking at available sources, all sources, in the area of additional energy.
