Chill out, relax and have an open mind.

~George Noory

Bigfoot may well be an extraterrestrial, because... remember Chewbacca?

~George Noory

Sometime I wish the aliens would abduct me and crown me as their leader.

~George Noory

I don't believe in coincidences.

~George Noory

What I do is create an aura of mystery.

~George Noory

I wonder if Chupacabras are... baby Mothmen?

~George Noory

Well, with prophecy you got to see what happens.

~George Noory

We need a government that does not give in to a globalist agenda, an agenda I am now convinced seeks to bring American as a sovereign nation and the middle class to their knees.

~George Noory

You do something annual every year, don't you?

~George Noory

I should write a book. I've always wanted to write a book. I should write a book about kids who see dead people.

~George Noory

I want to enjoy myself in this planet for as long as I can for the people I care about.

~George Noory

To be on Coast to Coast, you have to be willing to stay awake in the middle of the night. But in return you get a great audience of millions of listeners all across the nation.

~George Noory

I really do believe 2012 is coming. What do you think about that?
