

Gerald Epstein Quotes

*People, Government, Jobs, Impact, Population, Growth, Mean, Life, Finance,
Want, Creating, Increase, Support, America, Play, Interesting, Criticism, Asking,
Wealth, Running*

What does remembering ourselves mean? It essentially means coming back to life- re-membering.

~Gerald Epstein

Pain is a message asking for our help.

~Gerald Epstein

Increases in interest rates normally worsen inequality, at least partly by reducing employment and wage growth.

~Gerald Epstein

Here's the interesting thing: the fact that QE and lowering interest rates almost to zero has worsened inequality, does not mean that raising interest rates will help reduce inequality.

~Gerald Epstein
