Fashion is much more than product. It's about entertainment and people feeling a part of something.

~Glenda Bailey

To me, I always listen to what my instincts tell me. The biggest mistakes I've ever made is when I've ignored what I know to be true in my heart.

~Glenda Bailey

I love the return of sweetness and lace. Ladylike dressing is back and it's beautiful.

~Glenda Bailey

I was always a great believer in starting at the top. I really think that focusing on a career and working your way up is way way way overestimated.

~Glenda Bailey

Life's too short not to enjoy what you're working on.

~Glenda Bailey

Knowing when you're not good at something and knowing when you are good at something is an art-form.

~Glenda Bailey

Alexey Brodovitch used to say, "Astonish me." We as the team at Bazaar hear that everyday because we want to surprise people.

~Glenda Bailey

I want technology to work for me, and my readers. People get confused that technology comes first. The ideas come first. You need to use the medium.

~Glenda Bailey

Nobody wants to be the same as anybody else.

~Glenda Bailey

I firmly believe that Harper's Bazaar is the star. I am there to make it the best it possibly can be, but there should be no confusion. I want to put Harper's Bazaar front and center.

~Glenda Bailey

It's just as important to let go and let somebody do what they're best at and other times, I'm very determined to get exactly what I know we need. It's that balance.
