I used to think it was corny to be in love but actually it's corny to lose an awesome woman! Real talk.

~Godfrey

I'm still trying to understand the wearing off high heels at the airport.

~Godfrey

I think there are people living in Walmart dressed up as employees.

~Godfrey

Customs is punishment for those who travel. This will teach you for traveling to our country!

~Godfrey

I am not a model the camera just went off by itself

~Godfrey

I think that sometimes I've been a little too nice. I think you have to have a balance. When you're too nice people take you for granted, they take you for a fool I think.

~Godfrey

But there's times when I like to find the strange angles to something. People go, 'I heard a lot of jokes like that, but that's one of the most interesting takes I heard.' That's what I try to do.

~Godfrey

When my woman kisses me I start dancing like James Brown. Ow! I Feel Good!

~Godfrey

The one thing you don't want to be is a sucky clean comic. I hate sucky clean comics! It's like Christian rock, bro. I'd rather listen to gospel and Christian rock. That's cheating!

~Godfrey

I'm forever a part of pop culture.

~Godfrey

I can always create new material. That's something I can control.

~Godfrey

That's what I take pride in in my stand-up, is changing things up. Being special.

~Godfrey

I observe everything around me and when something hits me and it's funny, that's what I talk about. I'm a more observational kind of comic.

~Godfrey

I love when they show the really gay prisoner in prison shows. He's the cutest inside but you know on the street he would be the ugliest.

~Godfrey

If Mandela were a comedian, I bet he would never get mad at a heckler, he'd give him or her a hug.

~Godfrey

But some people want attention so bad they want you to see them angry at you.

~Godfrey

I went to University of Illinois. Big school. 35,000 students. 800 black... I was the only black in every class. Hard to be absent.

~Godfrey

Want to shut a racist white guy's mouth. Put him around Super human athletic black dudes.

~Godfrey

Tell your girlfriend or wife you love them everyday. Like I do!

~Godfrey

I think the audience should take away that it's okay to be smart, it's okay to be funny and well-learned. You can be from academia and be funny; you don't have to be an idiot.

~Godfrey

The X-Games - I watch that; I'm not impressed. That's white dudes' desperation. They're running out of sports. They gotta find something that black dudes won't touch.

~Godfrey

Be happy with your stereotype. Asians - that's the stereotype I want. Being the smartest person in the world? You're the smartest, what are you complaining about? You know what I get? 'Wassup?

~Godfrey

You've got to keep moving, keep creating.

~Godfrey

I use profanity because I like profanity, but I'm not vulgar. Big difference. I love profanity because I really think profanity is cool.

~Godfrey

I would say, as far as heckling, there's benign and there's malignant; like tumors man. Sometimes you get really nice hecklers. I'd say percentage-wise it's only about 10 to 20 percent the whole year.

~Godfrey

You know, the energy I think I was just born with. I think I was just always like that as I kid; I was always real energetic.

~Godfrey

Hey man! I'm a comedian but I'm not a clown.
