I know other astronauts share my feelings.... And we know the government is sitting on hard evidence of UFOs.

~Gordon Cooper

I have the normal desire, experienced by everybody who's ever flown an airplane with a certain amount of zoom capability, to go a little bit higher and a little bit faster.

~Gordon Cooper

Information on UFOs, including sighting reports, has been and is still being officially withheld.

~Gordon Cooper

Who was the best pilot I ever saw? You're lookin' at 'im.

~Gordon Cooper

Every day, in the USA, our radar instruments capture objects of form and composition unknown to us. And there are thousands of witness reports and a quantity of documents to prove this.

~Gordon Cooper

Government is afraid that people may think the worst and panic about these creepy horrible invaders. So the idea is: We have to avoid panic by all means.

~Gordon Cooper

I believe that these extra-terrestrial vehicles and their crews are visiting this planet from other planets, which obviously are a little more technically advanced than we are here on earth.

~Gordon Cooper

I did have an occasion in 1951 to have two days of observation of many flights of them, they were of different sizes, flying in fighter formation, generally from east to west over Europe.

~Gordon Cooper

While flying with several other USAF pilots over Germany in 1957, we sighted numerous radiant flying discs above us. We couldn't tell how high they were. We couldn't get anywhere near their altitude.
