With a keen eye for details, one truth prevails!

~Gosho Aoyama

Fear of death is worse than death itself.

~Gosho Aoyama

time is a terrible thing because it erases joys and pains at the same time.

~Gosho Aoyama

Words are like knives... If you use it the wrong way it transforms into a bad weapon.

~Gosho Aoyama

to keep believing in life, until you're sure of death, it's the way a detective should be." - Kogoro Mouri, Detective Conan

~Gosho Aoyama

Everything is real, except Beika City

~Gosho Aoyama

People can really change. When they're far away from each other, their hearts will change. It's so cruel that the only thing I can do is wait. - Mouri Ran

~Gosho Aoyama

You must never forget it if that's an important memory to you. Especially when a person dies, he can only live in the memories of others.

~Gosho Aoyama

while it's true in tennis, love is zero. but zero is also where everything starts. nothing would ever be born if we didn't depart from there. nothing would be ever achieved.

~Gosho Aoyama

A secret makes a woman woman - Vermouth

~Gosho Aoyama

A detective who uses his deductive powers to corner a suspect and then does nothing to stop them from committing suicide is no better than a murderer himself. - Kudo Shinichi

~Gosho Aoyama

Don't judge from the outside. Like any beautiful rose has thorns... the more a person appears nice on the outside, the more you should doubt the inside.

~Gosho Aoyama

life is limited so people will appreciate it because there's a limit, we would try our best to live.

~Gosho Aoyama

Is a reason necessary? I don't know why you would kill someone. But as for saving someone... A logical mind isn't needed, right? -Kudou Shinichi

~Gosho Aoyama

If you force me to pick one color, it'd be Black... It covers up the things inside of me that I don't want to be known. Well, for the same reason, black is the color I hate, too.

~Gosho Aoyama

No matter how well you think you've hidden, you'll always leave behind a trace. And the more you try to hide that trace, the more obvious and troublesome it will become.

~Gosho Aoyama

Humans are suspicious and jealous creatures. When they see something perfect, they want to find a flaw.
