Any kind of consciousness that is not related to the production or consumption of material goods is stigmatized in our society today.

~Graham Hancock

All politicians should be required to drink Ayahuasca 10 times before taking office.

~Graham Hancock

I don't believe that consciousness is generated by the brain. I believe that the brain is more of a receiver of consciousness.

~Graham Hancock

If this is how science operates, by silencing those who express opposing views rather than by debating with them, then science is dead and we are in a new era of the Inquisition.

~Graham Hancock

Science has often resisted new ideas and fought bitterly to prevent them coming on board.

~Graham Hancock

People think I'm a freemason, and I'm not. People think I believe the end of the world is coming on 21 December 2012, and I don't.

~Graham Hancock

You have to understand that we've had more than 40 years now of massively financed propaganda called the 'War on Drugs'.

~Graham Hancock

I see myself as a journalist reporting neglected stories about our past and trying to bring rigor, reason and intuition to the quest.
