

Grayson Perry Quotes

*Art, Thinking, People, Artist, Fun, Mistake, Giving, Men, Strong, Drawing, Car,
These Days, Culture, Gender, World, Phenomenon, Dressing Up, Brilliant, Bits,
Fashionable*

I just love dressing up in everything a man is supposed not to be, in all that vulnerability, sweetness, preciousness and impracticality.

~Grayson Perry

To appreciate art you've got to work at it a bit.

~Grayson Perry

I think when we talk of craft we talk of a certain set of processes, whether that be clay or glass or jewelry or textiles, and we look back through history instantly.

~Grayson Perry

Creativity is mistakes.

~Grayson Perry

Beauty and seriousness are perhaps the most shocking tactics left to artists these days.

~Grayson Perry

Art is not some fun add-on to life.

~Grayson Perry

The middle class male thinks he has a monopoly on objectivity.

~Grayson Perry

Originality is for people with short memories

~Grayson Perry

Taste is a phenomenon. Most of taste is unconscious - it comes from your upbringing, from your family, from your society, your gender, your race; it's a melange of all those things.

~Grayson Perry

A lot of people who work in computers think that the world is like them.

~Grayson Perry

I always say to people if you want to see what Britain looks like, watch Gogglebox. It's brilliant and funny and warm and clever.

~Grayson Perry

If you're in the culture business, you're not so locked in to your class, or you can have fun with it.

~Grayson Perry

I'm concerned with not ever being fashionable.

~Grayson Perry

I think if people really want music they'll search it out.

~Grayson Perry
