President Obama can find time to meet with a YouTube personality who eats cereal out of a bathtub, but not the prime minister of our ally Israel?

~Greta Van Susteren

Unfortunately, this is a free society, and we're gonna have people with trucks, and people with bombs.

~Greta Van Susteren

Cameras in court are just messengers; don't blame them, blame the participants.

~Greta Van Susteren

I think people loosely use the term 'free speech.' If the market wants to be such that people don't want to watch someone, so be it.

~Greta Van Susteren

No candidate dares to look for a new campaign model that could really enhance the democratic process. Instead we are left with the current one which makes our candidates look like hucksters.

~Greta Van Susteren

I'm an independent type. No one tells me what to do.

~Greta Van Susteren

I really enjoy what I'm doing.

~Greta Van Susteren

My close proximity to many of the newsmakers can give me a different perspective about people in politics and what they might say than others who don't know them.

~Greta Van Susteren

I think people have made their minds up about Donald Trump and

Hillary Clinton. They love them and hate them - love them or hate them.

~Greta Van Susteren

I've been a workaholic since I was 18.

~Greta Van Susteren

Of course, every time someone does a story on plastic surgery, my name will be dragged up. I've made it safe for other people to have plastic surgery. It's no longer a bad word.

~Greta Van Susteren

I like really stupid comedies.
