I think it's sort of disrespectful to the partner you're having sex with to talk about it.

~Gretchen Mol

Donnie Brasco was great, but the energy on the set made it kinda hard to get in there and have an opinion.

~Gretchen Mol

It's hard to know really how it's going to happen, but the career ebbs and flows and now there's a nicer feeling of interest than there has been at other times.

~Gretchen Mol

The interesting thing about Bettie Page that I discovered was to leave the mystery. She always retained a little mystery. Let there be some unknowns.

~Gretchen Mol

It's fun to play a character when you can't concern yourself with how sympathetic they are.

~Gretchen Mol

If my life had gone in a different direction - some of the choices you makes when you're in your teens and your early 20s, I fortunately feel that I haven't been marked by those things.

~Gretchen Mol

I think that's the best way to see things, especially this kind of play where there's no pyrotechnics, it's literally just people talking.

~Gretchen Mol

It's not like I have a master plan or anything.

~Gretchen Mol

Hopefully, I'll just get to be part of good films and work with good people, and that's how it will develop.
