*Osteoporosis, Country, Needs, Years, Development, Health, Future, People,  
Hunger And Poverty, Real, Threat, Cancer, Men, Disease, Way, Issues, Views,  
Smoking, Children, Thinking*

Sustainable development is development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

~Gro Harlem Brundtland

Contaminated food is a major cause of diarrhea, substantially contributing to malnutrition and killing about 2.2 million people each year, most of them children.

~Gro Harlem Brundtland

Morality becomes hypocrisy if it means accepting mothers' suffering or dying in connection with unwanted pregnancies and illegal abortions and unwanted children

~Gro Harlem Brundtland

Although approximately 80% of osteoporosis sufferers are women, as the longevity of the male population increases, the disease will assume increasing importance in men

~Gro Harlem Brundtland

Investing in health will produce enormous benefits.

~Gro Harlem Brundtland

A safe and nutritionally adequate diet is a basic individual right and an essential condition for sustainable development, especially in developing countries.

~Gro Harlem Brundtland

A cigarette is the only consumer product which when used as directed kills its consumer.

~Gro Harlem Brundtland

Women power is a formidable force.

~Gro Harlem Brundtland

You cannot tackle hunger, disease, and poverty unless you can also provide people with a healthy ecosystem in which their economies can grow.

~Gro Harlem Brundtland

You cannot achieve environmental security and human development without addressing the basic issues of health and nutrition.

~Gro Harlem Brundtland

Osteoporosis, as the third threat, is particularly attributable to women's physiology

~Gro Harlem Brundtland

The development of the food industry for both domestic and export markets relies on a regulatory framework that both protects the consumer and assures fair trading practices in food.

~Gro Harlem Brundtland

Today osteoporosis affects more than 75 million people in the United States, Europe and Japan and causes more than 2.3 million fractures in the USA and Europe alone.

~Gro Harlem Brundtland

More than ever before, there is a global understanding that long-term social, economic, and environmental development would be impossible without healthy families, communities, and countries

~Gro Harlem Brundtland

Health is the core of human development

~Gro Harlem Brundtland

Never have so many had such broad and advanced access to health care. But never have so many been denied access to health.

~Gro Harlem Brundtland

That the AIDS pandemic is threatening sustainable development in Africa only reinforces the reality that health is at the center of sustainable development.

~Gro Harlem Brundtland

When public and private sectors combine intellectual and other resources, more can be achieved

~Gro Harlem Brundtland

Women's health is one of WHO's highest priorities

~Gro Harlem Brundtland

With an annual investment of \$66 billion by 2007, we can save 8 million lives each year.

~Gro Harlem Brundtland

An important lever for sustained action in tackling poverty and reducing hunger is money.

~Gro Harlem Brundtland

During my nearly five years as director-general of WHO, high-level policymakers have increasingly recognized that health is central to sustainable development.

~Gro Harlem Brundtland

Let me first say that I don't think the millennium target of cutting global poverty in half is an impossible or abstract target. I think it is a real and achievable goal.

~Gro Harlem Brundtland

I have repeatedly stressed that we have the knowledge to reduce hunger and poverty.

~Gro Harlem Brundtland

The burden of disease falls on the poor.

~Gro Harlem Brundtland

Cardiovascular diseases are the leading cause of death in women

~Gro Harlem Brundtland

This syndrome, SARS, is now a worldwide health threat... The world needs to work together to find its cause, cure the sick and stop its spread.

~Gro Harlem Brundtland

To change societies you need to organize with others who share your views.

~Gro Harlem Brundtland

This is a historic moment in global public health, demonstrating the international will to tackle a threat to health head on.

~Gro Harlem Brundtland

I do not know of any environmental group in any country that does not view its government as an adversary.

~Gro Harlem Brundtland

Cancers of all types among women are increasing

~Gro Harlem Brundtland

Music is something I must do, business is something I need to do, and Africa is something I have to do. That's the way it breaks down in my life.

~Gro Harlem Brundtland
