I love the film route and I'm going to try my hardest to stay on it.

~Hailee Steinfeld

I really do feel like I'm in a generation where women are empowering and supporting each other. It's so amazing to feel a part of that.

~Hailee Steinfeld

My first modeling job was Gap, and my first time in front of the camera was for a Soda Pop Girls commercial - it's one of those Bratz dolls, Barbie dolls one of those.

~Hailee Steinfeld

I love it when someone that inspires me is not only good because of what they inspire me for, but also because they're just an amazing person.

~Hailee Steinfeld

The idea of revenge coming from a 14-year-old girl isn't, you know, exactly right.

~Hailee Steinfeld

The shooting of the guns, that was kind of funny, because rolling a cigarette and shooting a gun aren't like normal things for a 13-year old girl!

~Hailee Steinfeld

Child actors come off as work being their life and doing it 24/7, but I still have those days where it's totally, like, whatever: shopping, movies, adventures.

~Hailee Steinfeld

My very first audition was on the lot of Paramount, and I was put on tape and it was very nerve-racking. I think it was about 15 pages.
