You would not believe how much time people waste in a day. And how little time they put into things they genuinely love.

~Hal Sparks

If 'Airplane!' comes on, it's like a comfort film. You can always guarantee a laugh watching that movie.

~Hal Sparks

Sometimes I play guitar like a frustrated drummer.

~Hal Sparks

'Jerry Springer' is just kind of the chubby, redneck version of throwing Christians to the lions.

~Hal Sparks

If you take anything I say with any seriousness whatsoever, go study Yang style tai chi. It will make you live longer.

~Hal Sparks

It's better to waste money than time. You can always get more money.

~Hal Sparks

I noticed a lot of guitar players neglected the rhythm part of rhythm guitar and decided I would try to focus in that.

~Hal Sparks

I'm a writer, so I like dissecting things.

~Hal Sparks

I'm named after a computer and grew up really interested in them.

~Hal Sparks

I've always said that I benefit, as an actor, from not having the illusion of security.

~Hal Sparks

Anyone who still supports George Bush would still let Michael Jackson babysit their kids.

~Hal Sparks

I'm a futurist. Technology is our way out of almost every problem we have. Technology can create a new sense of community.

~Hal Sparks

Boredom is your mind and body's way of telling you you're not living up to your potential.

~Hal Sparks

Truth be told, ginormous portions have become a pet peeve of mine.

~Hal Sparks

If I have anything, it's tenacity.

~Hal Sparks

I try to be as ignorant about things as I can.

~Hal Sparks

There is never hesitation about doing stand-up. It's just me doing my thing.

~Hal Sparks

The Bush administration made us nostalgic for ... well, any other time in history.

~Hal Sparks

I've been doing stand-up since I was 15 years old.

~Hal Sparks

Growing up in Kentucky, I used to hang out with four running buddies as a kid - 6, 10, and 11 years old. Two of them would later come out, and so 50 percent of my friends as a kid were gay.

~Hal Sparks

Mainly, when I go see a show, unfortunately it's more industrial espionage than it is going to actually enjoy a show.

~Hal Sparks

Political and social change is always a stagger-step process. One step forward, two steps back. They want you to give up.

~Hal Sparks

I admire Laura Bush because she's the only librarian who would marry an illiterate.
