Just keep learning from the role and not just go for the money.

~Haley Joel Osment

I like normal stuff people fear - like spiders and heights. I'm frightened by the unknown, by things that are hard to figure out and get a grip on.

~Haley Joel Osment

Kobe Bryant is my favorite basketball player. He takes risks. He goes for the shot. He isn't cautious with whatever he does.

~Haley Joel Osment

I would be a terrible person to be in a relationship with because I'm either sleeping or at the theater.

~Haley Joel Osment

My dad never told me that when you audition, you might not get the role. He wanted to wait until my first disappointment to tell me.

~Haley Joel Osment

I've never had a MySpace or a Facebook page. I avoid that entirely.

~Haley Joel Osment

When I was a little kid, I loved imagining things. I'd go outside and put on a cape and just imagine I was somebody else.

~Haley Joel Osment

People love to get scared. People want to see the worst thing that can happen.

~Haley Joel Osment

I try to keep away from being big-headed. That's what causes people to lose the acting thing. They start being commercial, and then they stink for the rest of their lives.

~Haley Joel Osment

It's hard to act terrified when you have 200 crew members around you.

~Haley Joel Osment

I'm going to try and model myself after Kurt Russell and Jodie Foster.
