Don't take life so seriously. Have fun. Enjoy your time on this planet. Try new things, go on adventures, and appreciate every little thing because it may not be as little as you might think.

~Haley Pullos

Love is being constantly supportive.

~Haley Pullos

Love is realizing that they are going to make mistakes but knowing you can't hold it against them.

~Haley Pullos

Love is being understanding and compassionate.

~Haley Pullos

Love is being accepting of all of their flaws.

~Haley Pullos

I grew up on that stage. I learned almost everything I know there.

~Haley Pullos

Things will go wrong or end up differently than you had imagined, and that's OK.

~Haley Pullos

I try to remind myself that nothing is permanent.

~Haley Pullos

I have a little journal that I always keep with me, and when I need to, I'll write poems and things. It really helps to clear my head.

~Haley Pullos

Don't take life so seriously. Have fun. Enjoy your time on this planet.

~Haley Pullos

There's music for when you're sad or happy or in love; there's music for every moment in life.

~Haley Pullos

I've been very passionate about animals for as long as I can remember, and ever since I became an actress, I've always done my best to get involved with animal charities and such.

~Haley Pullos

Things will go wrong or end up differently than you had imagined, and that's OK. Life isn't about being perfect. It's about being the best you can possibly be and finding the good in everything.

~Haley Pullos

I try to remind myself that nothing is permanent. The chaos and the stress of life won't last forever. Eventually, it will go away and I will once again be left with nothing but happiness.
