I love classic rock, rock and roll, that's the top notch. I love soul - bluesy music as well.

~Haley Reinhart

If my life had to be a song I would name it, 'Live every day like its your best day ever', because it pretty much is.

~Haley Reinhart

First thing I did when I found out I made it into the top 13 is I tried not to faint and you know, I took it all in and I really looked at the crowd and said a big 'thank you'.

~Haley Reinhart

I'd rather have people really be able to step back and get their money's worth and look at me as a true artist than somebody who is just regurgitating other material.

~Haley Reinhart

If there's a pool I love to hangout there and layout and get some sun. If I can ever find a second to get some sun, some Vitamin D, I will do so.

~Haley Reinhart

I believe a great performer is someone who sounds just as great live as they do in the studio and vice versa. They should know how to work the stage.

~Haley Reinhart

I'm going for something very raw and organic.

~Haley Reinhart

Music is not just a part of my everyday life, I'm surrounded by it every minute.

~Haley Reinhart

My parents have basically just taught me the rules of the stage and everything since I was eight.

~Haley Reinhart

The kind of audience I'm speaking to is a very wide range of people.

~Haley Reinhart

My parents have been with me every step of the way.

~Haley Reinhart

Music continues to remind me that its boundaries are limitless.

~Haley Reinhart

If I were to categorize what I sing, I have many different influences, and a lot of them are from back in time.

~Haley Reinhart

It's always been a dream of mine to get somewhere and to have my mom and dad with me up there.

~Haley Reinhart

Performing on stage is what I've done since I was a kid and it's where the passion that has started from the very beginning for me, and that's what I'm going to enjoy.

~Haley Reinhart
