Afghanistan is very satisfied with Croatia's participation in the NATO-led peace mission and expects Croatia to expand its contribution to peace restoration in Afghanistan to other areas as well.

~Hamid Karzai

Afghanistan will be a brother of Pakistan. Afghanistan will never betray a brother

~Hamid Karzai

I don't think the Taliban will ever come back to take Afghanistan, no.

~Hamid Karzai

Where liberty dies, evil grows.

~Hamid Karzai

Afghanistan has moved forward and Afghanistan will defend itself. And the progress that we have achieved, the Afghan people will not allow it to be put back or reversed.

~Hamid Karzai

I hope (the United States) will change and they will now focus entirely on helping and building a stronger, better Afghanistan.

~Hamid Karzai

The people of Afghanistan will continue to remember his lasting friendship with the people of Afghanistan as well as his unstinting support during the years of jihad against the Soviets.

~Hamid Karzai

If it is terrorism, if it is war on terror, then the Afghan people will join you on terror.

~Hamid Karzai

Life without Liberty is far worse than death.

~Hamid Karzai

We are not America. We are Afghanistan.

~Hamid Karzai

No peace will arrive unless the U.S. or Pakistan want it.

~Hamid Karzai

As the country now turns a new leaf, our ambition is to give hope to each and every Afghan.

~Hamid Karzai

People in Afghanistan want peace, including the Taliban. They're also people like we all are. They have families, they have relatives, they have children, they are suffering a tough time.

~Hamid Karzai

A democratically elected congressman of the United States of America should not be talking of an ethnic divide in Afghanistan, should not be interfering in Afghanistan's internal affairs.

~Hamid Karzai

As the president of Afghanistan I look at the suffering of our people as a whole.

~Hamid Karzai

If the United States is treating Afghanistan as a sovereign country it has to prove it.

~Hamid Karzai

Please, my dear brothers, let your wives and sisters go to the voter registration process. Later, you can control who she votes for, but please, let her go.

~Hamid Karzai

The worst thing for an effective war on terror is the suspicion of states about the objectives.

~Hamid Karzai

We as the Afghan people and government are willing to help Pakistan work for peace in Afghanistan and work for peace in Pakistan, together.

~Hamid Karzai

The majority of the Afghan people support a strategic partnership with the United States.

~Hamid Karzai

The holy book is implanted in the hearts and minds of all the Muslims. Humiliation of the holy book represents the humiliation of our people.

~Hamid Karzai

No foreigner has a place asking another people, another country, to change their constitution.

~Hamid Karzai

I would never call a neighbor an enemy. But I would request the neighbor to be a good neighbor, to see that the neighbor's interest is a stable prosperous neighbor, a neighbor that is doing well.
