False teachers invite people to come to the Master's table because of what's on it, not because they love the Master.

~Hank Hanegraaff

True faith is trusting the sovereign God even when we don't understand.

~Hank Hanegraaff

Faith in Christ is not some blind leap into a dark chasm, but a faith based on established evidence.

~Hank Hanegraaff

I think that it's proper to warn people when they have clearly crossed the line between the Kingdom of Christ and the kingdom of the cults.

~Hank Hanegraaff

Evolution is the most important battle that Christians have to fight today, a battle we must win by any means, fair or foul!

~Hank Hanegraaff

Marriage is the basic building block of civilization. We are redefining it at our own peril.
