Nobody is wired wrong, because there's no wrong and right in the way we are.

~Hannah Hart

If you just want to make stuff and put it out there so people can see that, great. Do that. Nothing is ever going to stop you.

~Hannah Hart

I hope that as my career continues I get to create and work on more LGBT projects and bring LGBT storytelling into more mainstream media!

~Hannah Hart

Surround yourself with people that you know will take care of you. It's not so much a mistake advice - it's just advice.

~Hannah Hart

I'm simultaneously terrified of the thought of existing forever and not existing at all. Wherein is my peace?

~Hannah Hart

Try to focus on the things that you do have instead of obsessing over things you don't

~Hannah Hart

Don't force yourself to go party if you're not in the mood.

~Hannah Hart

I think all women in all industries have more obstacles than men.

~Hannah Hart

We have so much access to video and audio recording equipment that it's kind of the new pen and paper.

~Hannah Hart

I think that you should just create if you have the urge to create. There's a lot of other careers you can pursue to seek attention. If people want validation, there are other ways to get that.

~Hannah Hart

A pitcher is worth a thousand words.

~Hannah Hart

I'm excited about Thanksgiving. It's my favorite holiday. It's the feast of a thousand senses, so just eat, eat, eat, eat.
