I want to go and write music that announces to you that you can feel something. I don't want to tell you what to feel, but I just want you to have the possibility of feeling something.

~Hans Zimmer

As the seconds of our lives are ticking away, you have to realize that life needs to be an adventure.

~Hans Zimmer

You're going to fail a few times, because that is the only time you actually learn something.

~Hans Zimmer

I've spent my life trying to make things simpler. Because I find ultimately that complicated doesn't reach the heart.

~Hans Zimmer

Never let your wife prevent you from buying equipment. A car will not buy a synthesizer, but a synthesizer can buy a car.

~Hans Zimmer

If I play you a piece of music, that's when you can truly look inside me.

~Hans Zimmer

If you talk to any director, they'll say music is fifty percent of the movie.

~Hans Zimmer

Get rid of the shitty sound. Life's too short.

~Hans Zimmer

Why get up in the morning unless you're going to have an adventure?

~Hans Zimmer

I think one of the things which always is forgotten in music class, is the

first thing you have to do as a musician is you have to learn how to listen.

~Hans Zimmer

The rules are: The more playful we get, the more we can get rid of the rules.

~Hans Zimmer

I've never had a real job in my life. I didn't learn anything, I was terrible at school. It was just this thing. Music was all I wanted to do.

~Hans Zimmer

If something happened where I couldn't write music anymore, it would kill me. It's not just a job. It's not just a hobby. It's why I get up in the morning.

~Hans Zimmer

There's a power that movies and music has, that can move you and motivate you to look at your neighbor in a slightly more respectful way, and look at cultures in a more inclusive way.

~Hans Zimmer

Anything can become a musical sound. The wind on telegraph wires is a great sound; get it into your machine and play it and it becomes interesting.

~Hans Zimmer

You can only make a good noise on the guitar if you're committed. Little careful noise doesn't work. You have to be bold.

~Hans Zimmer

Inspired music arises from an inspired movie which arises from an inspired script.

~Hans Zimmer

What are you going to do when you are not saving the world.

~Hans Zimmer

I get all my good ideas sort of at one o' clock in the morning, and I tried for a while to behave like normal people.

~Hans Zimmer

Electronic music lends itself to an abstract way of storytelling, so it keeps evolving. There's a whole movement truly driving music further and there is no other music innovating as much as film music

~Hans Zimmer

You have to remain flexible, and you must be your own critic at all times.

~Hans Zimmer

I have to give credit to Giorgio Moroder ; among the first to make us realize the importance of music in film.

~Hans Zimmer

All music is based in one way or the other, or influenced through the ages, on technology.

~Hans Zimmer

What's the point of getting up in the morning unless you're gonna have an adventure? As the moments of our life are ticking away you have to be aware that it needs to be an adventure

~Hans Zimmer

I've spent my life trying to make things simpler.

~Hans Zimmer

Trust me, if you're working on a \$70 million movie and you're the last guy, you feel all that weight on your shoulders.

~Hans Zimmer

I'm homeless, in a funny way. My culture I think is completely rooted in German 19th century music I suppose.

~Hans Zimmer

As opposed to being on the Internet, there's something really nice about reading a book or talking to authors.

~Hans Zimmer

The lack of education means, the lack of having something I can pull out of a drawer, means I have to find something in any movie I work on that is intensely personal.

~Hans Zimmer

Hollywood allows you to go and express yourself.

~Hans Zimmer

When I was 13, when I was 14, when I was in England, yeah all I wanted to do was go and see The Who, go and see The Stones.
