

Harold Evans

Quotes

*Thinking, People, Editors, News, Important, America, Information,
Understanding, Jobs, Internet, Media, Cameras, Reading, Fool, Beautiful,
Funeral, Boys, Groups, Cliche, Friendly*

The camera cannot lie, but it can be an accessory to untruth.

~Harold Evans

Attempting to get at truth means rejecting stereotypes and cliches.

~Harold Evans

Actions are always more complex and nuanced than they seem. We have to be willing to wrestle with paradox in pursuing understanding.

~Harold Evans

In journalism it is simpler to sound off than it is to find out. It is more elegant to pontificate than it is to sweat.

~Harold Evans

I think America has a brilliant future.

~Harold Evans

Propaganda is persuading people to make up their minds while withholding some of the facts from them.

~Harold Evans

I think a lot of newspapers have lost touch with that sense of community, which so impressed me as a teenager when I had to knock on people's doors.

~Harold Evans

Transmitting information is easier than creating understanding.

~Harold Evans

Some blogs have become the best check on monopoly mainstream journalism, and they provide a surprisingly frequent source of initiative reporting.

~Harold Evans

Internet news cycles are by the minute, and any fool can take a headline from the Associated Press and send it out as news.

~Harold Evans

[We need to] protect copyright at all costs. Don't do cheap deals with Google and these other cyber-monsters. Recognize that the creative artist has to be maintained.

~Harold Evans

When I first came to the United States in 1956 I fell in love with things - mainly the vitality and the freedoms.

~Harold Evans

When I was studying at Chicago and at Stanford University, where many many cases of two people observing the same event have a different take on what happened.

~Harold Evans

Throughout America's young history there has been a necessary tension between the individual and the group.

~Harold Evans

For 50 years my father worked for the railroad.

~Harold Evans

My wife [Tina Brown] co-founded the Daily Beast, so I have no hostility to the web or Internet. A number of print friends of mine regard it as the worst thing that's ever happened, but I don't.

~Harold Evans
