The testimony and the documentary evidence produced by the Government demonstrate that the Bell System had violated the antitrust laws in a number of ways over a lengthy period of time.

~Harold H. Greene

With competition everyone has to try harder.

~Harold H. Greene

I'm a great believer in the competitive system, and think that competition will bring us greater innovation and put American industry in information ahead of everyone also.

~Harold H. Greene

Every one of the world's dictatorships can and does claim to be acting in the name of the people.

~Harold H. Greene

I liked discussion and debate and thought that these skills fit well with law. I also had an interest in justice - and later learned that sometimes law and justice actually agree!

~Harold H. Greene

You can't just lecture the poor that they shouldn't riot or go to extremes. You have to make the means of legal redress available.

~Harold H. Greene

Competition is good and has served us well.

~Harold H. Greene

Mandatory sentencing guidelines have become as complicated and detailed as the IRS code!

~Harold H. Greene

The impression I have of Justice Warren is that he was looking for the

just result in a case regardless of fixed dogma or principles and I like to think that I'm in that mold.

~Harold H. Greene

I could see flames from the windows of my chambers. For the next three or four days we had major rioting here in Washington and I stayed at the court day and night.

~Harold H. Greene

Once I was standing in line to buy a telephone and Senator Wirth was in line with me. The next day the New York Times reported that we'd both purchased telephones and what price we'd paid!

~Harold H. Greene

The enforcement of the law cannot depend on the justice of a cause or one man's conscience.

~Harold H. Greene

I enjoyed the administrative work because it involved working with Congress, city council, and the mayor. I had never been a politician so it was fun - learning political maneuvering.

~Harold H. Greene

I don't think a judge should be too much involved in outside activities.

~Harold H. Greene

People are intimidated in court, and I try to make them more comfortable.

~Harold H. Greene

The Sherman Act is similar in the economics sphere to the Bill of Rights in the personal sphere.

~Harold H. Greene

I don't want to be influenced by outside opinion.
