Eye, Members, Acting, Being Alone, Ancient, Followers, Here And There,  
Theory Of Evolution, Communism, Doe, Bird*

I always wonder why birds choose to stay in the same place when they can fly anywhere on the earth, then I ask myself the same question.

~Harun Yahya

We live not in the world outside, but in a world inside ourselves.

~Harun Yahya

Never forget that turning a blind eye to oppression and watching from the sidelines is itself oppression

~Harun Yahya

I always wonder why birds stay in the same place.

~Harun Yahya

Darwinism has laid the groundwork for Hitler's and Mussolini's fascism and Stalin's communism.

~Harun Yahya

The followers of intelligent design should openly and clearly declare the existence of Allah as the Creator.

~Harun Yahya

The invalidity of Darwinism and the actuality of creation are scientific facts.

~Harun Yahya

Atheism, which people have tried to for hundreds of years as 'the ways of reason and science,' is proving to be mere irrationality and ignorance.

~Harun Yahya

Darwinism is a pagan religion whose roots go back to the Sumerians and Ancient Egypt.

~Harun Yahya

All the members of terrorist organizations, even those that portray themselves as Muslim organizations.....they are all Darwinists.

~Harun Yahya
