A long time ago, in a country not so far away, I was eight years old, doing my best Darth Vader imitation.

~Hayden Christensen

Everyone has their own approach to how they work.

~Hayden Christensen

Ewan McGregor and I had very similar first-time light sabre experiences. We both burned ourselves! These things are hot - they're full of batteries!

~Hayden Christensen

I don't see how you can give someone who lied to the extent that he did a second chance in the same line of work.

~Hayden Christensen

I have two sisters and a mother, obviously, so I grew up with a household of girls. Maybe I have a greater respect for women because of it.

~Hayden Christensen

One of the things I find about acting is that the less the audience knows about the actor, the more they're able to believe in him in the role.

~Hayden Christensen

I don't think things like trust should just be handed out. You have to earn that.

~Hayden Christensen

I've always been kind of a hermit.

~Hayden Christensen

I try to stay away from the L.A. scene as much as possible. I feel it helps me to better prepare for my roles if I am not too involved in that

whole thing.

~Hayden Christensen

I wish they taught green screen acting classes.

~Hayden Christensen

I love my mother Ali so much. I'm a momma's boy. I just have a very cool mom. It's not as though I had any say in the matter. I'm just really fortunate. She's the most kind, loving, giving woman.

~Hayden Christensen

Journalism is just the art of capturing behavior.

~Hayden Christensen

I love acting because it's a bit of an escape. It gives you the ability to reinvent yourself. They say that acting is the shy man's revenge.

~Hayden Christensen

I'm just this kid from Toronto who got his start.

~Hayden Christensen

As an actor, I usually try and keep my motivation within the context of what the character is going through.

~Hayden Christensen

For me, when I'm making a movie I like to stay in character throughout the day.

~Hayden Christensen

I have read articles about me where a reporter has exaggerated something that I communicated, but I wouldn't say there's ever been a lie told about me.

~Hayden Christensen

I don't find Hollywood interesting, so I'm thinking of studying architecture instead.

~Hayden Christensen
