It's good to get out of the closet and talk about it and find out other people's views.

~Heather Matarazzo

I will say that my personal business is my personal business. And I will leave it at that.

~Heather Matarazzo

There is going to be a hundred thousand doors slammed in your face before one opens, so feel ok about taking rejection.

~Heather Matarazzo

I smile so much at the theater my face hurts when I leave.

~Heather Matarazzo

The most beautiful thing is telling someone you love them, because you can only love another person if you love yourself

~Heather Matarazzo

Honestly, there was a time after I came out that I really did not think I would be working again.

~Heather Matarazzo

So the characters that I choose, I like to make sure that they have depth and that they have some sort of bite. It's more fun.

~Heather Matarazzo

There's a fear that grasps each individual and what they think is right and what they think is wrong.

~Heather Matarazzo

It doesn't matter if a critic pans or praises my movies, I am only concerned about that one audience member and what their experience is.

~Heather Matarazzo

They don't teach you just how to be in school. There's no class on that. There's no multiple choice test for Why Do I Feel This Way?

~Heather Matarazzo

You have your private life and you have your public life, and just don't let them interfere.

~Heather Matarazzo

I just have a belief that when there is a rare script out there that speaks to you, you have to stick with it. You have to.

~Heather Matarazzo

It doesn't matter what medium I perform, I just love to perform in general, if it's good work.

~Heather Matarazzo

There's another girl who was going to play Hilary Faye and luckily she wound up not doing it.

~Heather Matarazzo

I think it magnified it. For me, I wasn't sheltered so I think it was magnified. Especially when you're a teenager and you go to high school and you're in the business and you are known.

~Heather Matarazzo

I'm not going to let fear rule my life. I'd rather be able to know that I've made a choice that's right for me, than saying yes because I don't want my agents to be upset with me.

~Heather Matarazzo

The minute I ever start thinking about what a character would do is the minute I bring my ego into play. It's the minute I'm putting a judgment

on something.

~Heather Matarazzo

I would love to do a musical so hopefully I will be blessed with doing one.

~Heather Matarazzo

I don't really prepare for roles. I just kind of do them!

~Heather Matarazzo

I feel that I've been very fortunate in the films that I have gotten and that I've chosen to do.

~Heather Matarazzo

I'm 100 percent Irish by birth, grew up Italian, and yet I constantly get cast as playing Jewish.

~Heather Matarazzo

If I was just considered a looker and wasn't considered an actor, where would I be in 10 or 20 years from now?

~Heather Matarazzo

I've been given so much, and if I can just give back a tenth of what I've been given, then it's all worth it.
