I can't live without my dark plum eyeliner. I use liquid because it's easier on my eyes.

~Heather Morris

I love to wear red lipstick a lot, even in the daytime.

I try to eat how your mother wanted you to eat when you were young.

~Heather Morris

I've wanted to perform my entire life. I found a paper I wrote in kindergarten class about what I wanted to be when I grew up - and I wrote 'a famous singer!'

~Heather Morris

I want to make everybody laugh.

~Heather Morris

I love looking in the mirror and feeling good about what I see.

~Heather Morris

You don't want to be too cool. But you don't want to be too dorky. Still, I find it so much better to see a guy at a club being a dork, and having fun, than trying to be sexy.

~Heather Morris

Dancers don't think about things; they just do them.

~Heather Morris

My head is pounding. Like the worst hangover ever.

~Heather Morris

Beyonce was just always full-out. She's like a beast. So you learn that no matter how you feel, just do it. Just like Nike: 'Just Do It.'

~Heather Morris

I carry one black mascara and one brown.

~Heather Morris

Like most dancers, I love lip stains! We hate gloss because hair gets stuck in it.

~Heather Morris

I had a serious boyfriend in high school, but we would take breaks in between. You shouldn't always have a boyfriend!

~Heather Morris

There were ten dancers - four guys and six girls - including me, on the Beyonce tour. Sometimes we would go out with her, to events. She was really normal - just like everybody else!

~Heather Morris

When I'm working 16-hour days and I can't work out, I get angry very easily. It's because I'm missing all those good endorphins. For me, exercise equals happiness.

~Heather Morris

I put on lip balm first thing in the morning and always use it before I swipe on my red lipstick.

~Heather Morris

Flirt!'s mascara is insane - I don't need false lashes when I wear it.

~Heather Morris

The simplest way to do something cool is the cross-turn. Like in the '80s - Michael Jackson did it. You jump and cross your legs together at the same time, and then spin out of it. That's it.

~Heather Morris

My dad passed away before my freshman year, and it altered how I thought. I was depressed - I didn't hang out with my friends. I worked through it by dancing.

~Heather Morris

I didn't like to dress up in high school. I wore pajamas all the time. Or I would have my hair in a high bun from dance, and just wear dance clothes.―
