Multitasking? I can't even do two things at once. I can't even do one thing at once.

~Helena Bonham Carter

Why do you put your self esteem in the hands of complete strangers?

~Helena Bonham Carter

Who wants to be normal when you can be unique?

~Helena Bonham Carter

I drink a lot of Diet Coke and belch. I've been known to use the "f" word.

~Helena Bonham Carter

I've never had white teeth. To be honest, I've never been told to do any of those horrible things - get your teeth whitened or your nose straightened.

~Helena Bonham Carter

Imperfection is underrated. Perfection is overrated.

~Helena Bonham Carter

You just have to do what suits you, and it doesn't matter if you don't look like everybody else. Be you. That's our gift and we've got to celebrate that.

~Helena Bonham Carter

I don't think kids have a problem with death. It's us older ones who are nearer to it, that start being frightened.

~Helena Bonham Carter

Wear what you feel comfortable with. People say nasty things about what I wear in the street. I'm always in worst dressed lists, but you just have to dress for yourself and Â-nobody else.

~Helena Bonham Carter

I'm drawn to emotionally damaged characters because there is more to unlock.

~Helena Bonham Carter

~Helena Bonham Carter

I liked pretending to be other people: I could reinvent myself, reinvent my own reality.

~Helena Bonham Carter

I was like one of those nauseatingly nice children. I was very, very well behaved and boring.

~Helena Bonham Carter

That's the thing with animated films - I often feel that puppets get the better parts compared to us normal actresses.

~Helena Bonham Carter

It's different when you're an actor and playing a part, but when it's just you, you feel immensely vulnerable have strangers prodding and prying.

~Helena Bonham Carter

With the number of people I ignore, I'm lucky I work at all in this town.

~Helena Bonham Carter

I drink booze, I smoke, and I'm hooked on caffeine. I actually have been known to swear at times and belch and even raise my voice when provoked. And I'm not physically repressed!

~Helena Bonham Carter

There is no normality in life. Having two houses means that we can get out of each other's hair - which, let's face it, we've both got a lot of.

~Helena Bonham Carter

I do think imperfection's underrated.

~Helena Bonham Carter

Am I a good example? Well, at least I'm not too thin. I eat.

~Helena Bonham Carter

I'm always attracted to lower budget, not because it's lower budget, but because they tend to be better scripts.

~Helena Bonham Carter

I was a mixture of being incredibly old for my age and incredibly backwards. I was born quite old, but then I stopped growing. I lived with my mum and dad till I was 30.
