We are not jumping on the austerity bandwagon. A healthy economy is by far the most important thing for Social Democrats.

~Helle Thorning-Schmidt

We have the opportunity to change Denmark - that opportunity must be seized.

~Helle Thorning-Schmidt

Peace and solidarity in Europe is not a law of nature. It requires caring, effort and perseverance

~Helle Thorning-Schmidt

But what sets Europe apart is we insist on a social model that consists of solidarity, equal opportunity and a certain amount of redistribution.

~Helle Thorning-Schmidt

Today there's a change of guards in Denmark.

~Helle Thorning-Schmidt

People want to make sacrifices but they don't want to be sacrificed.

~Helle Thorning-Schmidt

Denmark needs change, Denmark needs to move on and Denmark needs my leadership.

~Helle Thorning-Schmidt

We can say farewell to 10 years of bourgeois rule... now we have the opportunity to change Denmark.

~Helle Thorning-Schmidt

I really appreciate the British part of my family.

~Helle Thorning-Schmidt

So yes, European decision making is not pretty. But it does work.

~Helle Thorning-Schmidt

I know too much about British politics to comment on British politics.

~Helle Thorning-Schmidt

Without growth we can't pay down our debt, and without growth there's no money for welfare.

~Helle Thorning-Schmidt

I'm taking care of the children, doing a bit of cooking and trying to do a bit of DIY around the house. But that's not going too well.

~Helle Thorning-Schmidt

No, a euro referendum will not be part of a government programme if we get the chance to form one.
