

Henry M. Morris

Quotes

*Scary, Religion, Christian, Data, Agnostic, Biblical, Impossible, Scripture, Facts,
Age, Order, Supernatural Elements, Real, Christmas, Historical, World, Stupid,
Responsibility, Evolution, Mean*

Evolution is the root of atheism, of communism, nazism, behaviorism, racism, economic imperialism, militarism, libertinism, anarchism, and all manner of anti-Christian systems of belief and practice.

~Henry M. Morris

The final and conclusive evidence against evolution is the fact that the Bible denies it.

~Henry M. Morris

Creation is not taking place now, so far as can be observed. Therefore, it was accomplished sometime in the past, if at all, and thus is inaccessible to the scientific method.

~Henry M. Morris

When science and the Bible differ, science has obviously misinterpreted its data.

~Henry M. Morris

It is impossible to devise a scientific experiment to describe the creation process, or even to ascertain whether such a process can take place. The Creator does not create at the whim of a scientist.

~Henry M. Morris

The only Bible-honoring conclusion is, of course, that Genesis 1-11 is actual historical truth, regardless of any scientific or chronological problems thereby entailed.

~Henry M. Morris

The so-called geologic ages are essentially synonymous with the evolutionary theory of origins. The latter is the anti-God conspiracy of Satan himself.

~Henry M. Morris

Christmas time, we can remember with deep thanksgiving the amazing

Christmas gift of God Himself, when God sent his only begotten Son into the world, that we might live through him.

~Henry M. Morris
