I love the excitement, the childlike spirit of innocence and just about everything that goes along with Christmas.

~Hillary Scott

When you are pushing yourself to not go back to the same well, you're gonna come up with something different, or you'll find songs that are different.

~Hillary Scott

I've been told I'm an old soul, but I'm only 25. I have the old with the new in me, and my house reflects that.

~Hillary Scott

There are so many music genres competing against each other, but I feel like country music has always been a unified front.

~Hillary Scott

I'm kind of old-fashioned, so I think the guy should always be the one to call. The girl just answers Or doesn't answer

~Hillary Scott

My biggest celebrity crush is either Ryan Reynolds or Caleb Followill, the lead singer of Kings of Leon.

~Hillary Scott

'Need You Now' is a universal subject matter. It's something that not just country fans, not just pop fans - everybody's been there. And the production was a little left of center.

~Hillary Scott

In high school I was the manager of the football team, so being around boys is natural to me!

~Hillary Scott

It's like these songs are your babies and you don't want anybody to think your babies are ugly! You never really know until you throw it out there if it's gonna take.

~Hillary Scott

I'm not a tanning bed person at all, but I'll get a spray tan

~Hillary Scott

You learn how to compromise and you learn how to read each other. Honestly, being in a band with two guys has prepared me so much for when it's time for me to get married!

~Hillary Scott

You pretty much can't get away from bacon or whiskey in the South. Put a doughnut in it and you'd be good to go.
