I love a great conspiracy story. Who doesn't?

~Homaro Cantu

I was bored at school and bored in a lot of the kitchens. It seemed like all I was doing was putting things into saute pans.

~Homaro Cantu

Lots of the cooking classes open to non-professionals are too low level for experienced foodies, or don't offer enough hands-on training.

~Homaro Cantu

If you look at, you know, the limitations of creating new products, you're only limited by the technology that you have to work with.

~Homaro Cantu

Sweet treats are as much a part of our culture as they are our taste palettes, and it can sometimes seem as though sugary snacks are everywhere.

~Homaro Cantu

Most Americans live on a diet that includes processed fare that is neither fresh nor natural.

~Homaro Cantu

I can't think of a time in the history of man when food was in excess. We're dealing with the same old problems we've dealt with for 60,000 years.

~Homaro Cantu

Sitting down and sharing a meal together combines two of my favorite loves: eating great food and talking about great food.

~Homaro Cantu

A molecular gastronomist is really just someone who explores the world of science and food.
