

# Hu Jintao Quotes

*Country, Long, Effort, Chinese, World, Impact, Opening Up, Important, Rights,  
Peaceful, Two, Government, Independent, Culture, People, Strong,  
Development, Responsibility, Dollars, Diversity*

We will make every effort with utmost sincerity to achieve a peaceful reunification of the country.

~Hu Jintao

The Chinese culture belongs not only to the Chinese but also to the whole world.

~Hu Jintao

Diversity in the world is a basic characteristic of human society, and also the key condition for a lively and dynamic world as we see today.

~Hu Jintao

Tibet is a beautiful and richly endowed region of our great motherland.

~Hu Jintao

The monetary policy of the United States has a major impact on global liquidity and capital flows and therefore, the liquidity of the US dollar should be kept at a reasonable and stable level.

~Hu Jintao

We on our part will stick to our independent foreign policy of peace, acting forever as a strong defender of world peace and a persistent proponent of common development.

~Hu Jintao

Our task is tough, and our time is limited. Party organizations and governments at all levels must give priority to emission reduction and bring the idea deep into people's hearts.

~Hu Jintao

The overall strength of Chinese culture and its international influence is not commensurate with China's international status. The international culture of the West is strong while we are weak.

~Hu Jintao

Democracy is the common pursuit of mankind, and all countries must earnestly protect the democratic rights of the people.

~Hu Jintao

Global climate change has a profound impact on the survival and development of mankind. It is a major challenge facing all countries.

~Hu Jintao

We will never allow anybody to separate Taiwan from China.

~Hu Jintao

China has been committed to the independent foreign policy of peace and has developed friendship and cooperation with all countries on the basis of the Five Principles of Peaceful Coexistence.

~Hu Jintao

China and the United States have major influence in international affairs and shoulder important responsibilities in upholding world peace and promoting common development.

~Hu Jintao

Building a good, stable, and productive China-U.S. relationship is in our mutual interest of our two countries and our two peoples, and also contributes to peace and development.

~Hu Jintao

Developed countries should support developing countries in tackling climate change. This not only is their responsibility, but also serves their long-term interests.

~Hu Jintao

Only reform and opening up can develop China. We must not be afraid of any risks, and not be confused by any distractions.

~Hu Jintao

The world economy today is recovering slowly, and there are still some destabilising factors and uncertainties. The underlying impact of the international financial crisis is far from over.

~Hu Jintao

China recognizes and also respects the universality of human rights. We will continue our efforts to promote democracy and the rule of law.

~Hu Jintao

In order to address world economic imbalances, countries around the world should make joint efforts to adjust their economic structure.

~Hu Jintao

All foreign companies registered in China are Chinese enterprises. Their innovation, production and business operations in China enjoy the same treatment as Chinese enterprises.

~Hu Jintao

China attaches great importance to the utilization of renewable resources, making it one of the important moves to promote economic and social development

~Hu Jintao
