Existence is.. well.. what does it matter? I exist on the best terms I can. The past is now part of my future. The present is well out of hand.

~Ian Curtis

Reality is only a term, based on values and well worn principles, whereas the dream goes on forever.

~Ian Curtis

I struggle between what I know is right in my own mind, and some warped truthfulness as seen through other people's eyes who have no heart, and can't see the difference anyway.

~Ian Curtis

When routine bites hard, and ambitions are low. When resentment rides high, but emotion won't grow...and we're changing our ways, taking different roads. Love will tear us apart.

~Ian Curtis

We're changing our ways, taking different roads, and love will tear us apart again.

~Ian Curtis

I used to work in a factory and I was really happy because I could daydream all day.

~Ian Curtis

Pictures all around, of how good a life should be, a model for the rest, that bred insecurity, I walked a jagged line and then came back for more, it's always in my mind, an institution with no law.

~Ian Curtis

All my lyrics are open to interpretation by the individual and imply many different meanings, therefore their relevance is purely subjective.

~Ian Curtis

Well, subconsciously I suppose some things must stick but I'm not influenced consciously by them.

~Ian Curtis

Love, love will tear us apart, again.

~Ian Curtis

I like the groups on Factory, A Certain Ratio and Section 25. I

~Ian Curtis

I tend not to listen. When I'm listening to records, I don't listen to much new wave stuff, I tend to listen to the stuff I used to listen to a few years back but sort of odd singles.

~Ian Curtis

We said we'd never tour ... and we'll never do a tour, I don't think - or if we do it won't be longer than about two weeks.
