Passion always finds a way. Follow your passion and everything else will work out.

~Iliza Shlesinger

You know what happened the last time a group of people said, 'Screw it, we don't care what you think'? They got hung as witches.

~Iliza Shlesinger

Both are salty, one will give me carpal tunnel, I'll go with the fries.

~Iliza Shlesinger

Everyone has their personal topics. My comedy has always been very strong on observational humor, it stems from what I see every day in my life.

~Iliza Shlesinger

It feels amazing to just be here and be able to share my jokes with the world. It's not so much about being a girl, it's about being a funny comic.

~Iliza Shlesinger

If I could have any job I would be a cat... but that's not something I'm supposed to talk about in public.

~Iliza Shlesinger

As a comedian, as an entertainer, there's a lot of downtime. Once you can accept that comedy is a marathon, not a sprint, it gets a little easier.

~Iliza Shlesinger

I don't tend to like race jokes. I don't like Jew jokes and black jokes, and they make me very uncomfortable, probably because I'm both. Well, I'm not black - but if I was then I could dance better.

~Iliza Shlesinger

When you ask a girl out and she suggest a bar, you're answer shouldn't be great, I like that bar and they'll have the Rockets game on too.

~Iliza Shlesinger

I wasn't a 'hot chick' in high school. I was 'funny' and a tomboy and probably a little uncomfortable with my amazing boobs.

~Iliza Shlesinger

I don't hate other women. Let me rephrase that: I hate other women and men - people in general can be annoying - but I've never disliked a woman for being beautiful.

~Iliza Shlesinger

I don't come up with ideas, they come to me. I write them down and try to convey what's wrong with me to the audience as best I can.

~Iliza Shlesinger

The only reason people work for airlines is because the Nazi party is no longer hiring.

~Iliza Shlesinger

I always wished my dad was there to intimidate my boyfriends or something. It's supposed to be your dad giving your guys friends the stink-eye for sneaking beer through your house, not your mom.

~Iliza Shlesinger

We've all been there, onstage. You say something you don't mean, you make fun of something on accident but... This wasn't that. This wasn't crowd work. This was a rehearsed set. This was pointed.

~Iliza Shlesinger

It said, 'War Is Not the Answer.' I disagree. I think war absolutely is the answer. And if you don't agree with me, happy Fourth of July.

~Iliza Shlesinger

You're not a road comic till you've watched Real Sex and American Greed alone in your hotel room.
