If you're at an award ceremony, you're against your mates.

~Imelda Staunton

Chaotic people often have chaotic lives, and I think they create that. But if you try and have an inner peace and a positive attitude, I think you attract that.

~Imelda Staunton

You can only do your best. That's all you can do. And if it isn't good enough, it isn't good enough.

~Imelda Staunton

I've always liked new writing.

~Imelda Staunton

Agents and producers have to get you into a box to accommodate their limited imaginations.

~Imelda Staunton

Children should always be brave and do something about bullying. Its not okay to stand by and let it happen. Bullies thrive off secrecy. Children should tell someone if they see someone being bullied.

~Imelda Staunton

Look at Judi Dench, who's brilliant in whatever bloody job she does.

~Imelda Staunton

I worked in rep for six years, then I came to London and to the National Theatre. What's better than that

~Imelda Staunton

You could say I'm a character actress. Or maybe a character actress who does peculiar, interesting lead roles. Does that make sense?

~Imelda Staunton

I was brought up a Catholic, so I take no pleasure in guilt.

~Imelda Staunton

The one good thing is that I get a lot more good scripts coming through my letterbox. 'Vera Drake' raised my profile in one way, and then 'Harry Potter' in another.

~Imelda Staunton

Fortunately my career has never been about how I look, it's about how I can be.
