Play, Heart, Want, Years, Mean, Mind, Wife, Spiritual, Giving, Children,  
Teamwork*

India is using troops in Kashmir. They are losing the battle of heart and minds. It's like treating cancer with aspirin.

~Imran Khan

I do not have any fears, no fear of dying, of failure, of anything; that means I am very dangerous for my opponents.

~Imran Khan

Never give up, no matter how hard life gets no matter how much pain you feel. Pain will eventually subside, nothing remains forever, so keep going and don't give up.

~Imran Khan

Compromise for your Dream but NEVER Compromise on your Dream.

~Imran Khan

It is not defeat that destroys you, it is being demoralized by defeat that destroys you.

~Imran Khan

Talent or intelligence doesn't matter, it's your dreams that will decide how big a person you will become.

~Imran Khan

Cricket is a pressure game, and when it comes to an India-Pakistan match the pressure is doubled.

~Imran Khan

I have always believed that one should not be scared of losing, I think that really is the key.

~Imran Khan

The more you study, the more you know; how less you know.

~Imran Khan

You all have to make a new Pakistan. Naya Pakistan is not a slogan - it's a belief.

~Imran Khan

It's more important to try to do something for the crores of poor people of my country.

~Imran Khan

I am called an Islamic fundamentalist by Rushdie. My critics in Pakistan say I am a Zionist agent. I must be doing something right.

~Imran Khan

I further promise you, that all my wealth and property will be in Pakistan. I will take ownership of this country and won't be like those leaders who create hideouts abroad

~Imran Khan

But I don't need to use politics as a way of making money.

~Imran Khan

Personally I don't think solving corruption is such a big problem.

~Imran Khan

Lack of rule of law is the main reason Pakistan could not join the ranks of progressive nations.

~Imran Khan

I am not anti-west, I am PRO PAKISTAN

~Imran Khan

I believed in myself. I never imagined myself as just an ordinary player.

~Imran Khan

A country that relies on aid? Death is better than that. It stops you from

achieving your potential, just as colonialism did.

~Imran Khan

I want you all to stand like the Muslims who stood with La ilaaha ilalla for Truth and Right

~Imran Khan

The only negative thing in Pakistan is not having a democracy.

~Imran Khan

There can only be democracy when money is not allowed to be spent in Politics.

~Imran Khan

The team that is going to win is the one that does its homework the best by studying its opponents.

~Imran Khan

Because I'm anti-war, I've been called pro-Taliban.

~Imran Khan

One is actually the democracy here, you know, people are, people assume that this election means that there is democracy in Pakistan. There is no democracy.

~Imran Khan

What I perceive, is above all justice, where everyone has the same law.

~Imran Khan

Colonialism deprives you of your self-esteem and to get it back you have to fight to redress the balance.

~Imran Khan

During my 21 years of playing cricket, I have never been approached by anyone or offered a bribe.

~Imran Khan

Win or lose today I am proud of the way my boys have played in the tournament.

~Imran Khan

But having set myself these goals, I had to work really hard to achieve them.

~Imran Khan

I want my team to play like a cornered tiger...when it's said it's most dangerous

~Imran Khan

If your house is burning, wouldn't you try and put out the fire?

~Imran Khan

I have fruit trees. Cows for fresh milk, yoghurt. My own wheat. I'm basically self-sufficient.

~Imran Khan

I feel an independent accountability commission should audit all government services.

~Imran Khan

What most people didn't realize in the Western countries is that here its not a question of having supporters, its a question of getting these votes to the polling stations.

~Imran Khan

So for us any gain we had in election, one vote that we got, was a win.

~Imran Khan

Pakistan needs to have decentralisation and a good local government system

~Imran Khan

In Pakistan politics is hereditary.

~Imran Khan

People still laugh at me in politics, they think I won't make it; but I think I will, after Harold Wilson, I will be your next Chancellor to become Prime Minister.

~Imran Khan

I did not lose this election, or had a bad result compared with what we might have got because of Islam.

~Imran Khan

The future of Indo-Pak cricket will depend on how the peace process goes.

~Imran Khan

In fact the experience at Oxford has really helped me later in life.

~Imran Khan

They do not understand Islam, and I think that is one area where perhaps I hope one day I will play a role in actually making people understand what we perceive Islam to be.

~Imran Khan

I wanted to be an outstanding player, that was my ambition.

~Imran Khan

These so-called extremists in Pakistan should be brought into the mainstream; if you marginalize them, you radicalize them.

~Imran Khan

Just give it everything you've got and bowl as fast as possible.

~Imran Khan

And when the pressure was on us, the team handled it very well. One has to learn to play well under pressure.

~Imran Khan

People didn't want the People's party to come in to power again, so they saw NS a viable alternative not us, because everyone knew we were not ready.

~Imran Khan

The team which handles the pressure best, carries the day.

~Imran Khan

If you have political reform in the Islamic world, the spiritual reform would follow.

~Imran Khan

My countrymen, I am wholeheartedly thankful to you today for proving that change isn't coming but it has **ALREADY COME!**

~Imran Khan

Terrorism is you winning hearts and minds of people.

~Imran Khan

I am basically a private person.

~Imran Khan

If there is one venue where Pakistan can beat Australia, then Adelaide is that ground

~Imran Khan

At the moment we have a ruling class that has one law and the people

the other.

~Imran Khan

In most of Pakistan it is a feudal country. People are very scared and oppressed by authority. But when you move to these wilder areas, they are not so easily suppressed.

~Imran Khan

When I came into politics I always thought there was a possibility I would be killed.

~Imran Khan

Without liberty I have nothing left to use except my body.

~Imran Khan

In a country where half a million die every year only for drinking polluted water, it is more necessary for us to do something for them.

~Imran Khan

I want to have a president in the U.S. who tries to win the hearts and minds of the Muslim world.

~Imran Khan

I was taken off from plane and interrogated by U.S. Immigration in Canada on my views on drones. My stance is known. Drone attacks must stop.

~Imran Khan

But ultimately it comes down to how the team performs on the day.

~Imran Khan

Are we Pakistanis, children of a lesser God? Is there one law for the west and one for us? Is our democracy supposed to be only democracy if you give us a no objection certificate?

~Imran Khan

If one area I felt it was a tough election was I couldn't see my young son and I couldn't see my wife a lot, but apart from that for her also it was an experience

~Imran Khan

People wanted to vote for us but the mechanics of getting the voters to the polling stations we didnt have. We did not have the money most of all .

~Imran Khan

I have studied Murad Saeed's case myself, He have not submitted any fake degree. Its a conspiracy against him. If he had any fears, if he was guilty he wouldn't have went to court.

~Imran Khan

We are not going to succeed because Taliban are masters of guerrilla warfare

~Imran Khan

I have no clear idea about this development, however, I have full faith in the government's peace talks committee. I suggest TTP choose its representatives from among its own leadership

~Imran Khan

Allow the Taliban to open offices in Pakistan

~Imran Khan
