A few people have said that I should change my name and the spelling so that people can say it, but I don't want to, I like it the way it is.

~Ioan Gruffudd

As long as you understand that you find happiness through family, friends and love, then money is just a nice bonus.

~Ioan Gruffudd

Age and treachery will always overcome youth and skills.

~Ioan Gruffudd

Television is what we're all very attracted to because that's where the best writing and the best characters are.

~Ioan Gruffudd

Being attractive, it's not something I do consciously. It's incredibly flattering that people think I appeal to women. But that was a gift from my parents.

~Ioan Gruffudd

To be honest, I think that I am a bit of a singer, coming from Wales; being Welsh, we are all very proud of our singing heritage.

~Ioan Gruffudd

I've never been around pets. I didn't have pets as a child.

~Ioan Gruffudd

There's a physicality and confidence to Americans; they're very present. That's something I enjoy being around because it rubs off on you.

~Ioan Gruffudd

Actors, to a certain extent, never grow up, you see. It's an extension of being out in the back yard with a stick, only you're being paid to do it.

It's borderline madness.

~Ioan Gruffudd

I'm not getting younger, so there's a commitment to the cause that one has to make

~Ioan Gruffudd

You're always going to be more judgmental about your own performance than anyone else.

~Ioan Gruffudd

And I guess I have a face and a look that sort of lends itself to period costume!

~Ioan Gruffudd

It's interesting - an actor's research is different to just historian's research. I'm looking for things that I can actually physically use in the movie.

~Ioan Gruffudd

As an actor, I've always said, half the audience is going to love you, half is going to hate you so just live with it. It's easier that way.

~Ioan Gruffudd

I know there are some actors who are just brilliant at improvising and brilliant at just being in the moment and doing it there and then. I'm not one of those actors.

~Ioan Gruffudd

I could do an American accent, if I were immersed in the accent, meaning if I were living back in Los Angeles and rehearsing and auditioning the whole time.

~Ioan Gruffudd

I love doing kids' films.

~Ioan Gruffudd

I'm determined not to lose my name. It's who I am. It has neither aided my progress nor hampered it. It's just who I am.

~Ioan Gruffudd

I've been brought up with the Christian faith with my family.
