I really believe in clothes that are new, that are innovative - but that everybody wants to wear.

~Italo Zucchelli

I love Drake -- he is very talented and I like his effortless attitude in terms of his style and music.

~Italo Zucchelli

In the office, I actually act quite demented the whole day. Like Monty Python. That's my favorite kind of humor. My assistants sometimes ask me to leave.

~Italo Zucchelli

Even if things look very precise and very organized, chaos is always there. But I like the moment of chaos to be at the beginning. I cannot deal with the chaos at the end.

~Italo Zucchelli

I saw what it means to work every weekend and every night, and I realized it doesn't work for me. It's not necessary. If you know what you want, you can achieve it without going crazy.

~Italo Zucchelli

Living in America has made me more practical. And, at the same time, exactly the opposite, because I'm very open to different ways of being and seeing that are completely not practical.

~Italo Zucchelli

I have a very small team by choice, because I don't believe in teams of 55,000 people.
