There are no two words in the English language more harmful than good job.

~J.K. Simmons

I like to act. Every other aspect of show business I find uninteresting.

~J.K. Simmons

I actually have a degree in music and was aware that music was a tool used in therapy. I didn't realize how far it had come since I was in college in the mid-seventies.

~J.K. Simmons

Science isn't about WHY, it's about WHY NOT!

~J.K. Simmons

People evolve and it's important to not stop evolving just because you've reached 'adulthood.'

~J.K. Simmons

If you're lucky enough to have a parent or two alive, call them. Don't text, don't email. Call them. Listen to them for as long as they want to talk to you.

~J.K. Simmons

Collaborative is my favorite word in moviemaking.

~J.K. Simmons

I never listened to the Grateful Dead as a teen; the only exposure I got was what came through the walls when my sister was listening to them.

~J.K. Simmons

I was not a giant comic book fan as a kid, but to the extent that I did read comics, Spider-Man was always my favorite guy.
